Dear Mr. Horne:

This is in reply to your recent letter which expressed dissatisfaction with the placements of a fence and jogging trail on our property adjoining Savile Lane. That letter included a petition for a meeting so that these placements, along with the location we have selected for our Day Care Center, could be discussed.

As you know, we have reached a final decision on the location for the fence and jogging trail. This decision, and the rationale for it, was conveyed to the Honorable Frank R. Wolf on 26 May 1988. We stated that the fence would be positioned on the Agency's property line as originally intended. We did agree to reposition the jogging track an additional 21 feet away from the closest residential property. This information was reiterated to Mrs. Lilla Richards in a letter dated 27 May 1988, a copy of which was forwarded to the President of the Downcrest Citizens Association. We regret the dissatisfaction remaining after our extensive effort to communicate our position to the concerned parties.

In regard to the Day Care Center, we are currently proceeding with plans for its construction in accordance with established procedures.

Our invitation remains open for you and Dr. Blood to visit us so we can perhaps alleviate your concerns about the fence and trail. If you are interested, please call [redacted] so that the necessary arrangements can be made.

William M. Baker

Dear [redacted]

Please find enclosed a letter with a copy of the signed petition addressing the location of the fence behind my home and Dr. Blood's home as well as the location of the jogging trail and the day care center in the community. Based on the lack of satisfaction we have received from your agency, we would like to request another meeting between the agency and the citizens of this community. We would appreciate you acting on this as quickly as possible. The meeting can be arranged with Mr. John Kinney at [redacted] Mr. Kinney is President of the homeowners association, Mr. Alan Skubel, assistant to Ms. Lilla Richards at [redacted] or Mr. Charles White assistant to Congressman Wolfe at [redacted]

Thank you,  
Sincerely,  
James Eric Horne

Dear [redacted]

I write to you concerning the location of the perimeter fence which you plan to construct along the Savile Lane property line. Members of this Association are especially concerned with that segment of the fence adjoining the two properties closest to Route 123 (Dolley Madison Boulevard). If placed on the property line, the fence would be within a few feet of the living rooms of those two houses.

We request that you favorably consider locating the fence at the tree line, as it presently exists behind the two properties. This would mean continuing the fence in a straight line after it passes behind the other properties on Savile Lane. I have been assured that, if you so desire, the owners of these properties will enter into written agreements that they will maintain the area outside the fence and will not claim title by adverse possession.

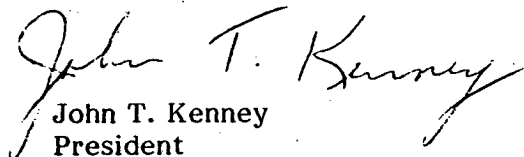

We also request that the fence be located a reasonable distance from Dolley Madison Boulevard after it makes the turn off Savile Lane. This should provide a more attractive entrance into our community.

While we have other concerns such as the location of the jogging trail and the day care center, we understand that you are reconsidering these issues with the intention of addressing the concerns of residents.

Thank you for your consideration.

Very truly yours,

DOWNSCREST CITIZENS ASSOCIATION
